Flock Puff

Digital Invite Light

Digital invite light is a printable. White PU film with a matt and thin soft touch finish. The sticky liner allows for precise cutting, fast weeding and positioning even on fine lettering. Eco-Silvent, solvent & latex inks.

D-Invite Light Glitter

Digital invite light glitter silver is a printable glitter. PU film with a gloss and thin soft touch finish. It works on cotton, polly-cotton blends, polyester and acrylic. Eco-Silvent, solvent & latex inks.

D-Extra Pearl

Digital extra pearl is a printable PU film with a satin, elastic and thin soft touch finish. It works on cotton, poly-cotton blends, polyester and nylon. Eco-Silvent, solvent & latex inks.
